This is your chance to own a beautiful, fully furnished and equipped, two-bedroom, private garden suite, conveniently located on the first floor, just steps from the lower pool deck and beach.

Two-Bedroom Suites

A two-bedroom Frangipani suite has so much to offer.

Enjoy such deluxe features as your own private hot tub, where you can relax at sunrise or sunset and anytime in between. Gaze out at your own private garden and listen to the soothing sounds of the waterfall on your private terrace. Dine in or entertain with ease when you grill some fresh fish or a steak on your own built-in gas grill barbeque.

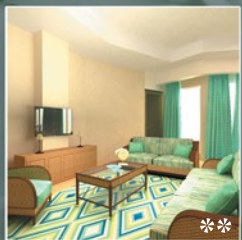

Just the two of you with no need for that second bedroom? Two bedroom suite owners have the unique option of downsizing. All Frangipani suites have a lockout bedroom/full bath with a separate entrance and kitchenette. This "lockout" can be rented or exchanged, leaving you with a smaller, one bedroom luxury suite for your own use, some rental income or an extra week at Costa Linda or some other resort of your choosing.

Features

- Two full bathrooms, including a Roman shower in the master bath and tub/shower in the second bath
- Lockout feature allows you to rent out or bank the second bedroom/bath
- Connecting doors between suites for flexible occupancy arrangements
- Fully-Equipped Kitchen
- Private Garden with Jacuzzi, BBQ Grill and Water wall
- Flat Screen TV in the Living Room and Bedrooms
- Blu-Ray DVD players with HDMI and USB port
- Telephones & Room Safes
- Mon-Sat Maid Service

WE SEE ARUBA IN YOUR FUTURE

So many islands, so little time. With all the tropical island paradises you could visit, why choose Aruba for your Caribbean vacation?

How about near-perfect weather? If you have only a week away from the job, why not guarantee yourself 7 days of ideal tanning conditions, reliably sunny skies, warm temperatures, and the cooling breezes of the trade winds. A desert with tropical foliage surrounding its resorts, Aruba is the best of both worlds, with its lush gardens, low humidity and little rain.

You like beaches? Aruba has beaches, some of the best in the Caribbean; in the world, for that matter. Our stunning photos don't do justice to the spectacular miles of white, sugary sand on wide open beaches, warm, gentle surf; and, the turquoise and aqua sea which awaits you.
