Our specialty, passion and living soul.... Pizza Bob has been in love with pizza since his early days growing up on the south side of Chicago. We got our recipe from our friends and family that own Bill's Pizza Pub, a famous pizza restaurant in Chicago that has been open since 1957. Needless to say, we take A LOT of pride in our pizza; each one is made to order with fresh ingredients and low fat skim milk cheese imported all the way from Wisconsin. This is as good as it gets!
